

The Alliance for Digital Pathology

Dear Alliance,

We held an Alliance Visions 2020 meeting and had Roberto Salgado give a fantastic plenary session.

- Meeting summary on the website. All content from Alliance Visions 2020 can be found [HERE](#).

Here are a few additional updates:

- Save the date for our next big Alliance meeting: **December 3rd, 2020**.
- Our next Steering Committee Meeting will be on **November 11, 2020 3:00PM EST**. Tentative agenda:
 - New proposals
 - Glossary of Terms - review for website
 - Workgroup website update
- Charter: Collaborative Community
 - We are hosting two drafting sessions that are open to all Alliance members. Members are encouraged to participate in one or both sessions:
 - **November 10, 2020 3:00PM ET** in-depth session going through the document and making changes to the wording. Please come prepared by reviewing materials [HERE](#).
 - **November 13, 2020 10:00AM ET** discuss next steps and possible roles
 - Please register [HERE](#)
 - Note the new section of our website dedicated to the charter [HERE](#)
- New website updates:
 - Additional resources [HERE](#)
 - Charter page [HERE](#)
 - A few important references [HERE](#)
 - Includes three notable papers that we recommend taking a look at
